HOMESTAY IMMERSION

Homestay and High School in Argentina

HOMESTAY EXPERIENCE

Within this program, students are completely immersed in the Spanish language and do not have opportunities to speak their own mother tongue: this allows a quick improvement of the language skills. Students get the unique opportunity to discover a new way of life and a new culture first hand, not like a tourist! The homestay program is the most affordable language travel!

This program is ideally suited to mature and independent students, eager to meet new people from abroad and with enough language proficiency to communicate with host family members. The pure homestay program is a true cultural exchange.

Students are hosted in volunteer Argentinean host families, who wish to share their everyday life with a foreign student. We place our students in the following provinces: Córdoba, Buenos Aires, Salta, Jujuy, Catamarca, Santa Fé, and in smaller cities in Patagonia. International students take advantage of their stay in Argentina to discover its rich culture, made of Latin American and European influence, as well as its geographical diversity.

SCHOOL SYSTEM

International students go to school

with their host siblings or children of the neighborhood. They attend regular classes with their classmates and participate in all school activities. This is a cultural program, not an academic program. Students should not expect to receive any grade transcript.

Education in Argentina is divided into three tiers: Pre-School education (one grade, from age 5); Primary education (seven grades, from age 6 to 12); Secondary Education (five grades, from age 13 to 17/18). At the end of the mandatory Secondary Education cycle, students leave school with the certificate of secondary graduation, ready to enrol into higher education.

However, other subjects are based on an individual school's offerings, such as: Technical Drawing, Biology, Physics, Plastic and Visual Arts, Chemistry, French, Italian, Latin, etc. Most schools go from 08:00 am until 01:00 pm. Some schools go from 01:30 pm until 06:30 pm.
