High school exchange in Canada

SCHOOL EXPERIENCE

Students live with a Canadian host family and attend the local public or private high school. We offer two different programs:

1. A **NON-CREDITED PROGRAM**: For those students wishing to come to Canada on a cultural exchange only and **not requiring grades and credits**, we can offer a lower program cost. Students choosing this option are placed in schools by Nacel Canada.

2. A **CREDITED PROGRAM**: For students wanting to **gain credits during their program**, they will have to pay the full international tuition rates, hence a higher cost. Students choosing the credit option can choose the school they wish to attend.

International students become an integral part of the school community when they get involved in the school's sports, arts, and cultural teams and clubs. Nacel offers programs in Atlantic Canada (Prince Edward Island), in Western Canada (Manitoba, British Columbia) as well as in Saskatchewan.

Nacel Canada is the exclusive exchange organization appointed by the 7 Oaks School District in Winnipeg to place students in schools and Nacel host families in this area.

We also offer international students to attend a short term non credited homestay and school integration program in Winnipeg, Manitoba (from 8 up to 16 weeks).

SCHOOL SYSTEM

Education in Canada is generally divided into Elementary (Primary School or Public School), followed by Secondary (High School) and Postsecondary (University or College). The curriculum consists of an academic program with English or French, History, Mathematics etc. and an optional part that can be varied depending on the school. Graduation is possible.
