HOMESTAY IMMERSION

Homestay Immersion in the USA

HOMESTAY EXPERIENCE

The short-term homestay program offers teenagers opportunities to experience the everyday life of a host family in the USA.

Within this program, students are completely immersed in the English language and do not have opportunities to speak their own mother tongue: this allows a quick improvement of the language skills. Students get the unique opportunity to discover a new way of life and a new culture first hand, not like a tourist! The homestay program is the most affordable language travel!

This program is ideally suited to mature and independent students, eager to meet new people from abroad and with enough language proficiency to communicate with host family members. The pure homestay program is a true cultural exchange.
