

SUMMER CAMPS

Switzerland

Age : 12-17 years old

French summer camp in Switzerland

Nestled in the breathtaking landscapes of Champéry, the chalet, where the camp takes place, offers a diverse array of mountain adventures for all ages. From tranquil hikes to thrilling activities like canyoning and tree climbing, there's something for everyone. Explore glaciers at 3000 meters, enjoy exhilarating downhill scooter rides, and dive into aquapark fun. Take part in bushcraft workshops, tackle via ferrata routes, and join guided mountain trips culminating in campfire gatherings beneath the starlit alpine sky. It's an unforgettable summer experience in Switzerland!

In Switzerland, we offer a French summer camp for juniors starting at 2 weeks. Combine an intensive 28 lessons program with attractive and adventurous activities. With this all-inclusive residential language stay, real progress is guaranteed!

Immersion

From morning to evening, students practice the target language with their peers, teachers, supervisors, and outside the classroom during meals, activities, and excursions. They are practicing the language 24/7!

- walks in the village,
- hiking in the mountains with campfire
- canyoning,

- via ferrata,
- aquapark experience
- tree climbing
- wilderness survival workshop
- you will even explore a Glacier!

An exciting program for **mountain adventurers!**

You also have access to the **sports center** of the village, offering indoor and outdoor swimming pool, climbing wall, tennis, indoor football...

Workshops on public speaking, young leaders, and digital media will also be on the program.
