Teen Summer K-pop Camp in South Korea

Discover Seoul, South Korea's vibrant capital, through an immersive language and culture summer camp for students aged 14 and up. Set in the iconic Hongdae district, known for its art, music, and K-pop culture, the camp offers a unique opportunity to learn Korean while experiencing modern Korean youth culture. The program runs from July to August 2025, with flexible arrival and departure dates and a minimum stay of 2 weeks.

Facilities & Accommodation

The modern campus is a short walk from Hongik University Station, featuring high-tech classrooms, a café, and study lounges. Students stay in private studio apartments equipped with a bathroom, air conditioning, and essential furnishings, located close to campus for convenience and access to public transit.

Safety & Support

Seoul is a safe, student-friendly city with a high standard of public safety. The camp offers 24/7 support, airport transfers, and an orientation to help students adapt comfortably.
